

AUGUST

Dear Customer

This month you see one of Tschudi Logistics' major business activities – transporting beverages and fine food. This is carried out by our subsidiary Marinexpress in Oslo. In actual fact, they are transporting approx. 37 million bottles of wine annually.

From offices in 7 different countries our logistics team handles a wide variety of tasks within project transport, rail, tank, forwarding and chartering.

No matter the size and complexity of the cargo – we can guarantee a safe transport and delivery every time. And always at a competitive price!

To see how we work, please visit www.tschudilogistics.com

Let us help with your next transportation!
